

Lake Winthrop, Holliston

General Information

Located one-half mile south of Holliston Center, Lake Winthrop is a 137-acre Great Pond with an average depth of 6 feet and a maximum depth of 24 feet. Aquatic vegetation is abundant in the shallow north end of the Lake.

Recreational Access

A paved Office of Fishing and Boating Access ramp managed by the town of Holliston is located at the end of Pleasure Point Road (71°25'38.28"W 42°11'23.81"N). There is parking for 6 vehicles and trailers. Non-motorized boats only. A town beach sticker is required during the summer season. A car top/light trailered boat launch and parking area is accessible off of Cabot Road on the east shore next to Stoddard Park (71°25'11.90"W 42°11'14.06"N). Non-motorized boats only. No beach sticker required to launch here. Please contact the town of Holliston for additional information, fee structure, and/or restrictions pertaining to public access of Lake Winthrop.

Fish Populations

Lake Winthrop has not been surveyed recently but is stocked annually in spring with Trout.

Fishing

Lake Winthrop has produced Largemouth Bass and Chain Pickerel that meet minimum size for recognition by the Sportfishing Awards Program.
